NOTICE OF MECHANIC'S LIEN ATTENTION!

Upon the recording of the enclosed MECHANIC'S LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court-ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanic's lien is recorded.

The party identified in the enclosed mechanic's lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanic's lien foreclosure action against your property.
